## Attendance

This week the whole school attendance is **97.07%**

Our school attendance target is 96.5%, so as you can see, we met our target this week which is great.

Well done to **Reception** for achieving 100% this is brilliant for our first week back.

## This Week's Class Attendance

Reception:	<b>100%</b>
Year 1	<b>97.78%</b>
Year 2	<b>98.33%</b>
Year 3	<b>95.24%</b>
Year 4	<b>98.72%</b>
Year 5	<b>92.22%</b>
Year 6	<b>97.31%</b>

Reception and Y6 nurse visit
- ◆ **Friday 27th March 2020**  
Year 1 celebration assembly
- ◆ **Friday 3rd April 2020**  
Break up for Easter

## ATTENDANCE:

We will continue to monitor attendance this term as well as punctuality. If your child is going to be off school please do notify the school office with the reason for their absence so that this can be recorded.

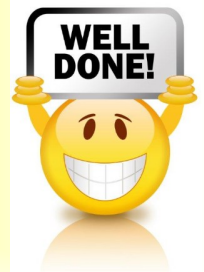

**SCHOOL WEAR:** Whilst we don't have a compulsory uniform I would ask that parents do send their children in appropriate footwear (no heels), no jewellery other than studs or watches. Please also ensure that tops cover up children's torsos.

## Friday 10th January 2020 Celebration Assembly

It was lovely to welcome our children back after the Christmas holidays. A big well done to all the children who received a certificate this morning. We are looking forward to starting up our parent assemblies in the next few weeks—the dates of these are attached below.

Reception:	Amaiyah and Saffa
Year 1:	Lenny and Genevieve
Year 2:	Poppy, Caleb and Laurie
Year 3:	Thiseas and Caleb
Year 4:	Ashleigh, Salah and Matten
Year 5:	Phoebe, Daisy and Heidi Cr
Year 6:	Lauren L and Anaayah

Well done also to Charlotte (Y1), Phoebe (Y5) and Luke (Y3) for achievements out of school!

## PARENT CELEBRATION ASSEMBLY DATES:

Date	Class
Friday 24 <sup>th</sup> January 2020	Year 2
Friday 31 <sup>st</sup> January 2020	Year 3
Friday 7 <sup>th</sup> February 2020	Year 4
Friday 28 <sup>th</sup> February 2020	Year 5
Friday 6 <sup>th</sup> March 2020	Year 6
Friday 13 <sup>th</sup> March	Reception
Friday 27 <sup>th</sup> March 2020	Year 1

These assemblies start at 9.00am and you will then have the opportunity to spend time in your child's class after the assembly.

**Rose Year 2**—Rose continues to do really well with her treatment. We would ask that you continue to be vigilant for any signs of measles, chicken pox or shingles. Many thanks for your continued support.

**Information about clubs for this half term will be sent out as soon as these have been decided.**

You can check our key policies online at [www.springbankprimary.org](http://www.springbankprimary.org) these include our anti bullying policy, our complaints procedure and information regarding whistleblowing. Other policies are also available.

## **URGENT – NUT ALLERGY IN SCHOOL**

We have a few children in school with nut allergies and who also have Epi Pens for these allergies.

Nut allergy can be a life threatening condition and can cause a severe allergic reaction very quickly. This can not only happen from eating a product with nuts or traces of nuts in, but can also occur if another child or adult has eaten something with nuts in and then touches something that child with an allergy then touches. Examples of this would be a child eating their lunch that contains a nut product and then touching the table or a pen that a child with an allergy may then come into contact with. It really can be that serious.

Please do not send anything into school that contains nuts or is known to contain traces of nuts. Our lunch time supervisors will be monitoring this very carefully. If they do find a product with nuts in the item will be taken away and disposed of – it will not be returned to you. Any child found eating any items with nuts in will also be asked to thoroughly wash their hands.

If your child eats anything containing nuts before school, please encourage them to wash their hands.

If you have any questions about this, please don't hesitate to contact myself or Mrs Ryan (SENCO).

Many thanks for your ongoing support,

Sarah Hawes (Headteacher Spring Bank Primary School) and Mrs Ryan (SENCO)

Please note that this only relates to nuts. Children are still able to eat products that contain seeds and pulses (such as sunflower seeds and pumpkin etc). Houmous is also fine (as long as it doesn't contain nuts as some houmous products do).
